**FLAG 1** - Penndel Flag-1 Traveled to play Lansdale-1 and found themselves down 14-0 early but never quit. Let it be known, this was one of their most valiant efforts yet. This was a total team effort. Despite being pounded by Lansdale's size all game, we found ways to block these guys, slip through seams and score anyway! This team makes everybody proud every time they pick themselves up off the ground and get right back in there for the next play! It's nice to know that Penndel still plays by the rules. **Penndel 13** - Lansdale 33

**FLAG 2 – Penndel 19** – Lansdale – 32 - In a tightly contested game Flag 2 showed a lot of heart. It was a back-and-forth battle most of the day with Lansdale finally coming out on top. New ball carriers like Dylan Schilling, Brendan Jordan and Ben Stern sparked life into the Wildcats offense late in the game. Joey Salvati and Jack Haston each had long TD runs. Joey's coming on a 4th and 25 situation! Jason Ellzy, Beau Backhaus and Justin Kerner continued to grab every flag that came their way. We're looking forward to a great game at home on Saturday to cap our season. **Penndel 19** - Lansdale 32

**FLAG 3 – Penndel Flag 3- 40** Lansdale Flag 3- 25 Another outstanding job by our offensive line, Shawn Johnson, Jake Meadows, Christian Meussner and Liam Evans. Thanks to the line Christopher Evans was able to perform a quarterback sneak and score a touchdown and Luke Tynan was able to dance his way through Lansdale's defense and down the field for 50 yards for his touchdown. Congratulations to Anthony Regan for scoring his first touchdown this year and to Jacob Long for catching his first two point conversion to seal our win. Nolan Jones was responsible for the touchdown that led to Jacob's extra points. Our linebackers, Matthew Bianchino, Jimmy Kershbaumer and Bulldog Turner did a terrific job covering Lansdale's receivers and kept them from running up the field. Our season is coming to an end and we ask that you please come out and support us for our last game on Saturday October 30th at 11:30 on our home field.

**80 LB** – WOW, what a game!! Back and forth the lead changed, with both Teams playing GREAT football !! The Wildcats never QUIT, with awesome runs by Peyton Jones, Jonathan Boback, and Kasai Farris! The offensive lines, and Backfield had terrific blocks to spring our runners, Michael Keating, David Timberman, Nick Zaino, Ethan Transue, Justin Willis, Johnny Koch, Nick Sweeney and Tony Singleton created huge holes to run through!! Defense had some awesome tackles, led by Mark Farley, Anthony Pertuccio, and JP Fay, laying the lumber!!! Andy Nerges and David Caldwell Came in and did a great job on the Defensive line, and Victor Simmons played a great linebacker! Everyone contributed, and we look forward to next weeks game! **Penndel 26** – Lenape Valley 27

**90 LB** – **Penndel 0** – Lansdale 1 – 26 – No report at press time

**100 LB** – The 100lb Wildcats team had their playoff hopes end with an exciting 12-0 loss to a very quick Palisades team. Kristopher Simpson, Dylan Lutton, Brett Smergalio & Mark Huett anchored the offensive line for the Wildcat offense as both teams found the yardage on offense hard to come by. Zachary Schuldaski ran some nice receiving routes & came within inches of busting a couple big plays for the offense. The defense held tough against some very fast Palisades RB's. Little man Eddie Fuller as usual proved to be too quick for the offensive line to handle as he busted through the line to make some nice tackles. It was a defensive battle with some crushing tackles as both teams refused to give up anything. It was a total team effort as the Wildcats played hard all game but just came up a little short. Nicholas Howie and Dominick LaPalombara both showed the true Wildcat COURAGE as both young men overcame huge personal losses late Friday night, but somehow they both managed to show up Saturday afternoon and give everything they had. With only two games remaining in the season, the entire 100lb Wildcats team set a team goal to finish the season strong and cap off a great season. **Penndel 0** – Palisades 12

**115 LB** – **Penndel 12** – Marsh Creek 26 (OT) – This week the "Wildcats" got a little taste of what the Philadelphia Eagles have dealt with in the last couple of years. ADVERSITY, the week started off with Zack Wiatrowski injuring his ankle at a church function. Monday the good lord brought us some more good news. 4 players won't be

able to play on Sunday because of Confirmation Retreat and another player was going on vacation. Wednesday was another thriller with Steven Stawniak going down with a knee injury. Gonna have enough players to play the game? NOT! How about some help from Bux-Mont on changing the date of the game. NOT!

Where's the love guys? Well anyway, Zach Wiatrowski and Eric Tarity came off the injured reserve list to give us enough players to play the game. Some players had to play positions they haven't played before and really stepped up to the challenge. Zach Crozier did just that as an offensive guard and defensive tackle. Zach got to join the elite TEAM of being a "HOG". The field conditions were very favorable for the HOGS. It was wet, muddy and just down right sloppy. The more they rolled around in the mud the more fun they were having. It was like being in HOG HEAVEN for them. Behind the HOGS came some powerful running form backs Andrew Kimsal, Dwight Williams who scored a TD and Kyran Kervick with the game winning TD. . Defensively, Ends Dylan Lange and Kyran Kervick along with corners Ronnie Moyer and Teddy Elonis controlled the outside and when it came inside Jason Carnley, Jason Kornstedt, Eric Tarity, Anthony Tullio, and the Zach Attack of Zach Crozier and Zach Wiatrowski were there to stop it. Dwight Williams took it the next level and Michael Moronese is becoming a Ray Lewis (Baltimore Ravens) type of linebacker. We as coaches always preach that this TEAM is in better condition than any team we'll face for 4 quarters. Now we realize that this TEAM is in better condition for not only 4 quarters, but 2 overtimes too!!! Great Job BOYZ!! The bottom line is "WHAT YA GONNA DO WHEN WILDCATMANIA RUNS WILD ON YOU!!"
