

WILDCATS WEEKLY

VOLUME 1, ISSUE 1 AUGUST 5, 2007

ARE YOU READY FOR SOME FOOTBALL?

We hope that everyone is excited to see that football season is here and underway. There are a few things that we would like everyone to remember during the 2007 football season.

While our organization continues to grow each year, the demand for volunteers through-out the year continues to grow as well. Please make sure you remember to sign up for snack stand duty. The calendar will be available during practices shortly. During the season, we are always looking for volunteers to help out with things during homecom-

ing, field maintenance, the beef and beer, year-book, and other various times. If everyone donates a little portion of their time, it will surely help make this season a great success for all of our children.

With practice starting this week at Poplar Park, please be courteous with parking and keeping the park clean after we leave.

Parents are reminded to act appropriately at all times, and during all events. Our behavior reflects on our organization and our children.

If any parent or child has

concerns, the coaches are always there willing to take the time to assist in any way possible.

Finally, keeping our children safe and healthy is a main concern of the Wildcats. During these hot summer months, make sure you provide your children with plenty of fluid, not only during practices and games, but through-out the entire day.

We are all hoping for another great season.
