

# WILDCATS WEEKLY

ISSUE II      AUGUST 15, 2007

## POPLAR PARK

We can not stress enough the importance of being able to use Poplar Park for our practices during the beginning of the football season. Complaints have been made about people parking illegally

and racing out of the park at night. It is very important that we not lose our permits, so please be courteous when parking and/or driving in the area. The police are going to start ticketing,

which includes parking the wrong direction. Also, we do need to make sure we keep the park clean. If you notice someone has left some trash behind, please dispose of it properly.

## IMPORTANT DATES:
