PHOTO OF THE WEEK

What a weekend! You couldn't ask for a better day. The weather was beautiful and so was Penn del with everyone sporting their Penn del Pride with a lot of Blue and White all over the place! As I walked around taking pictures, I kept seeing the same thing over and over. Everyone, and I mean everyone had a smile on their face. It was gratifying to me taking pictures of smile after smile. With all the hard work that goes on at Penn del and all the dedication that all the parents provide to our own kids, homecoming weekend was a great way to kick back and enjoy ourselves. Way to go everyone!

I'd like to wish the 135 lbs good luck this weekend! Even though my son plays for the 80s white, I plan on going up to watch their Championship game and wish them well. I hope you decide to support them too. Coach Nick and his coaching staff do a great job for our boys; let's hope they continue with their success! GOOD LUCK!

70 Blue 14 Lenape Valley 0 - 70LB BLUE, came ready to play football on Sunday night, under the lights, against Lenepe Valley, and for the 3rd week in a row recorded another shutout with a 13-0 win. Leading up to the game our kids had a great week of practice, these are a hard working group a boys who know what team work means, working hard to achieve the same goal and as a coach to these boys it is fun to watch. GREAT JOB BOYS. Looking forward to another fun week.

COACHES CORNER

80 White 13 Lenape Valley 32 - Part 2 of 3 trips to Lenape Valley! That's right; once again we were graciously given another road trip to play the Indians. The sky was a beautiful Pennel Blue with accents of white clouds up above. The fall foliage was in full force and the weather was perfect! It felt and looked like a perfect day, until.....the Indians scored first to take an early lead. Our offense came out strong but fell short early in the game. Before you knew it, we found ourselves down 19-0 by half time. The coaching staff made a few adjustments at half time, knowing we received the ball in the second half. Our offense stormed down the field and scored, only trailing 19-7. Our fan club gave us some encouraging cheers and on the ensuing kick-off we tried an onside kick, and it worked! The Indians defense began to tire out slowly and we showed how tough the Wildcats really are by stomping down the field to score once again! With the missed extra point, we only trailed by 6. With adjustments on defense we began to frustrate Lenape little by little. We battled back and forth for most of the second half. We had the Indians with a 4th and 26 with momentum on our side. If we got the ball back, we were in great position to tie up the score. Everyone was on their feet.....you could smell the excitement.....you can taste the anticipationBut in the end, Lenape Valley left us with a bitter taste in our mouths as we fell 32-13. The score didn't give us justice as the game was much closer than it looked. Our team kept their heads up and fought hard by not giving up. Even though we lost, this game showed a lot of character and perseverance with these young men. As I drove back to Pennel, I wondered....." *If God isn't a Pennel Wildcats fan, then why is the sky Blue and White?*"

105 White 13 Marsh Creek 24 - The D-2 team hosted the Marsh Creek Eagles team that they opened with on week 1. The Cats scored early and shocked the Eagles with another score. Marsh Creek came back with a score of their own. In the closing minutes before half time, Sean Devonshire picked off a pass and returned it 50 yards before being knocked out of bounds at the ten. With seconds left, the Cats knocked on the door of the goal line, but couldn't punch it in. That would have made a difference because the Eagles ran all over the Cats in the second half with a final score 24-13. A couple of nice pass plays put the cats on the board and a 55 yard touchdown run by Quentin Davis. Some real positives can be taken out of this game as the Cats head to New Hope/Solebury this Sunday.

105 Silver 19 Abington 0 - No report

120 Blue 32 Marsh Creek 6 - The 120 Wildcats started the game ready to earn respect from the Eagles. We set the tone early with a touchdown from Kieron Hardrick letting the Eagles know they were in OUR house. The Cats were hungry and number 32 Breon Clark recovered a fumble and ran it for a touchdown. Unfortunately, there was a flag on the play which brought us back. The offense however was not ready to kow tow and they opened a big hole for Kieron to stride right through for a well deserved touchdown. The score was quickly 12 to 0. We were not going to make it easy for those Eagles. Kasai Farris stepped up next and hit them again making the score 18 to 0. Everyone wondered if the Cats could hold them after the half. Kieron answered that question early in the third with a great run for a touchdown leaving the score at 24 to 0. Would the Eagles even make a showing? The sound of popping could be heard from the sidelines as Dustin Keen and Chris Wilson kept attacking them again and again. The Eagles put a number on the board at the end of the third making the score 24 to 6. The Cats were not going to let that happen again. The offense planned their strategy and created the right atmosphere for Kasai to bring the ball over the line again for a score of 30 to 6. Kieron put the nail in the coffin with the extra two points for a magnificent kick putting us ahead 32 to 6. On the defense, TJ Garlick and Isaiah Williams were punishing those Eagles with hit after hit. Back on the offense Ryan Mongillo had a nice run. However there was some mercy for the Eagles with the score ending at 32 to 6. This team's talent truly should be commended. Stay tuned for the 120's war with the Methacton Wolverines.
