## PHOTOS OF THE WEEK

Well, it's the first week of fall. This is a great time of the year with the leaves changing colors, the temperatures almost perfect, and of course, FOOTBALL! Each week I need to choose a picture that shows what Penn del is all about. It's always a tough decision. So this week goes out to FLAG FOOTBALL and CHEER. They work as hard as all the other teams, yet for some reason, sometimes they go unnoticed. If you think about it, it's the future of Penn del. So this week includes 2 pictures! As a reminder, I still need ideas and/or suggestions for the slideshow.

## COACHES CORNER

**Week 4**

**Flag 1** - What a great game! Zack Magdelinkas led our offense to victory while (even sick) Danny Fay led our defense. All our guys had a good game and we're looking forward to this Saturday's game at 3:00.

**Flag 2** - No report

**Flag 3** - No report

**Flag 4** - No report

**70 White** - 70 White had a great game against Pennridge on Sunday. The offensive line blocking allowed running backs to run free all day. Noteables: Jason Rauch, Jordon Wasnock, and Nick Saginario on the right side. Defensive side, our defensive line was in Pennridge backfield all day. Big Ben Stitch and Reed O'Sullivan had drive ending tackles, along with Zachary Crescenzo as saftey made many good plays. We are very proud of all the players - the 70 white coaching staff.

**70 Blue** - If you are a football fan this was a game to watch. 0 - 0 after the 1st half. Both teams did a great job on the defensive side of the ball. Moving into the 2nd half, Penn del received the ball, was able to move the ball into Hatboro territory and controlled the ball for the entire 3rd quarter. Again Hatboro's defense stepped up and stopped us inside the 20. Turning the ball over again with the score meant our defense needed to stop the hawks, stop them we did! Our defense was able to create a turnover, from that turnover, we were able to create another great drive going around left end from 14 yards out and put the only points of the game on the board. Penn del 70 lb blue 6 - Hatboro 0. Our players are doing a great job, they come to practice each night and work hard and it shows. They are improving week after week. GREAT JOB BOYS. ALSO A SPECIAL THANK YOU TO OUR 70LB CHEERLEADERS WHO ARE ALSO DOING A GREAT JOB. Thank you

**80 Blue** - No report

## COACHES CORNER

**80 White 12 Lansdale 0** - We continued our stellar play at Penndel Field with outstanding effort on both sides of the ball. From Brandon "white shoes" Coaxum taking a pass for 20 yards and Colin Goodman running the ball for the offense; to Grant Cook and Patrick Culligan creating havoc all day in the Canonners backfield for the defense, we knew we had control of the game. With our offense touching the endzone twice and controlling the pace of the game, our defense showed how tough they can be. Dylan "maddog" Slusser continued the dominance along with Colt "the bolt" Wilson, Shane "seacrab" Seacrest and Evan Brooks. By fortifying our lines and watching our flank, we kept the Canoneers canons from hitting our target, thus capturing the flag on the 20th day of September, 2008

**90 Blue 21 Marsh Creek 6** - The 90 pound team faced a very explosive and physical team on Saturday night against Marsh Creek. It was a game that had the makings of a classic, with the Wildcats holding a 7-6 lead at halftime. The second half though was a different story. The Wildcats utilized a huge special teams play by Zack Tredway on a beautiful 50 yard punt return TD that put the Cats ahead 14-6. After that, Coach Wenclawiak's defense stifled any type of comeback from the Marsh Creek Eagles and helped the offense with great field position. On a second and goal from the 8 yard line, Robert Fund took a 45 power and found paydirt for a TD. The extra point was a great pass from Mason Jones to Hayden Rooney to make the final score 21-6. Sean Gilmore came up with a huge fumble recovery and Zack Boop, Greg Wenclawiak, AJ Sanko and many others joined together to completely stop any offensive comeback from MC. Offensively, it always starts with the center and fortunately for us, we have the best center in the entire 90 pound division (Kyle Wenclawiak). Kyle executed perfect shotgun snaps to our QB all night long and enabled our inside running game to chew up the clock and keep the Eagles off balance. A tremendous effort by all 27 players who were at the game, as well as the parents who all cheered the Wildcats to another victory. Next up for the Wildcats is Lenape Valley on Saturday. Hope to see you there.

**105 Blue 7 Lenape Valley 0** - No report

**105 White 7 Conestoga 13** The Cats traveled to Valley Forge to play the Conestoga Generals and found Tony Mack scoring on the second play from scrimmage. The O line was grinding it out with great blocking early on led by Brendan Jordan, Eric Freeman, Joe Seedes and Dan Ballester. The Generals countered with a long scoring drive and punched it in before the half. After a nice return from Hunter Lake, The Cats drove down, but couldn't punch it in. They knocked on the door step of the goal line twice, but came up just short. The Generals scored again, but the Cats stopped the extra point which kept them in it until the closing seconds. With time winding down, Evan Kortick had an outstanding run that put the Cats in range. With seconds left, Brendan Jordan connected with Quentin Davis at the six yard line. Hats off to the Generals for breaking up the final play or this game would have had a different outcome. The Cats stood tall as Sean Devonshire, Tony Mack, Vinny Napoli all stuffed the run, with thanks to Kyle Brown for stepping in for Hunter Lake who went down with an arm injury. Nice pass defense from Ryan Green and Quentin Davis who had another interception this week, Great job!!!

**105 Silver 26 Lenape Valley 0** - No report

**120 Blue 27 Souderton 6** If you were not at the Penndel 120's v. Souderton Braves, then you missed it! Kasai Farris was on fire! Three touchdowns. There was no stopping him. We started on defense. The Braves scored the first touchdown. But that is where their spark ended. The defense put on their A game and stopped the extra point. The offensive line created holes all night and the running backs (Kasai Farris, Kieron Hardrick, Breon Clark, and Isaiah Williams) ran very well. Kasai's touchdown tied the game 6 to 6. Cats converted the extra point. Kieron came through for the next touchdown making the score 19 to 6. Although we did not get the extra point, Kasai answered back not long after with another touchdown making the score 25 to 6. Maybe one of the best highlights of the game was the kick made by Kieron for the extra point to end the game with a score of 27 to 6. Great game guys. This team is the team to watch.
